

## **Signing in to DASL for ISCA Members**

Thanks to a partnership between ISCA and the National Association of Independent School (NAIS), ISCA members have access to DASL ( Data and Analysis for School Leadership).

As an ISCA member, your name and email address will be added to your school's account in the DASL database so that you can have access. If you are a new member joining ISCA, NAIS will update its database of ISCA members monthly so please allow 30 days for activation of your login.

You will need to create your password to login to DASL. Follow the steps below to create your password (waiting 30 days for new members).

Please follow the steps on the screenshots below to create your password and log in.

- 1) Go to <https://dasl.nais.org>
- 2) On the login page, click on “I need to reset my password” at the bottom

 National Association  
of *Independent* Schools

---

## Sign in to access all your NAIS resources.

**EMAIL**

**PASSWORD**

☐ Remember me

---

**Other options**

- 3) Enter your email address in the space provided:

## Reset password

If there is an account associated with the email you provide, you'll receive an email with password reset instructions.

EMAIL

Reset Password

- 4) You should see the message below on the screen.
- 5) Go to your email and follow the steps in the message to set up your password and log in!

## Check your inbox!

If there is an account associated with **hilarylamonte@gmail.com**, you'll receive an email in that inbox with instructions for setting your password.

If you do not receive the email, check your spam folder or send a new reset email. For further assistance, contact us

## **Access to Compensation Data**

Obtaining access to compensation data within DASL requires a step that has to be taken by either your Head of School or the Business Officer at your school. It takes just a minute to do.

Here are the steps they should take:

- Log into DASL at <https://dasl.nais.org>
- Mouse over the "Admin" menu
- Click on "Manage School User Permissions"
- They will see a table of the users from your school and the permissions that each has been given in DASL
- Click the "Salary and Compensation Data" box in the row for your account
- Click Save

If you have trouble, please contact [daslhelp@nais.org](mailto:daslhelp@nais.org). Indicate you are an ISCA member and provide your name, school name, school city and state.
